

02 June 2020

Hi DfL Families,

I am happy to announce that we can Dance in person again!

We are still waiting on approval from the NSW Education Department to hire the BPS Hall. If this does not happen in time, the Baptist Church Hall is on 'standby' as our Venue until BPS can confirm.

To ensure we stay Healthy and Happy, there are additional guidelines that we must adhere to for our Dance Classes. Attached is a Covid-19 'Back to Dance' Document.

Every student must have this read & signed by their legal guardian and returned either in person or via email, on/before their first 'in person' class with *Dance for Life* again.

As there will be three weeks of in-person classes left in 2nd Term, the fees for these classes are: -

3 weeks of a 30-minute class:	\$40	3 weeks of a 45-minute class:	\$45
3 weeks of a 60-minute class:	\$50	3 weeks of a 75-minute class:	\$55
3 weeks of a 90-minute class:	\$60		

Multi Class Discounts will still apply, and these are:

- 10% discount for 2-4 classes per family per week
- 12.5% discount for 5-7 classes per family per week
- 15% discount for 8+ classes per family per week

Students who have already paid for 2nd Term Online Classes pay no more for the 'In Person' Classes.

Unfortunately, we are not allowed to accept Active or Creative Kids Vouchers for the remainder of 2nd Term. These can be used again in 3rd Term 😊

Remember, you are eligible to receive your 2nd Active Kids Voucher from 1st July 2020.

I understand that there will be some families who want to re-start their children's dance classes but may not be able to due to financial hardship.

Please email Miss Angela personally to: info@angelacorkeron.com with your request. All applications will be considered, and confidentiality is assured.

Thank you again for your support - we are all in this together!

Warm regards,

Miss Angela

xoxo
